

To All Master Builders Pastors & Leaders,

This is to advise you that we are now enrolling students into Master Builders Pastors' College for the 2012-2013 Study Program. As many of you know by now, Pastor Pete Beck III has stepped down from his position as Dean, and I (Marc Paladino) have assumed the role in his place. MBPC classes will begin January 9, 2012, so ideally we would encourage you to begin the enrollment process as soon as possible.

The leadership team has agreed to some changes both in the overall structure, content, and accessibility of the program. Everything now falls under the Master Builders Training Institute (MBTI), and courses are available on an open enrollment basis as well as the 2 year MBPC Study Program. We are also opening MBTI to churches outside the Master Builders Network, so if you know of leadership candidates outside of your church, you may invite them to have a look at our program. They need not be "pastor" candidates. Anyone with leadership potential will be considered.

Take a moment to visit the new website: mbtraininginstitute.com.

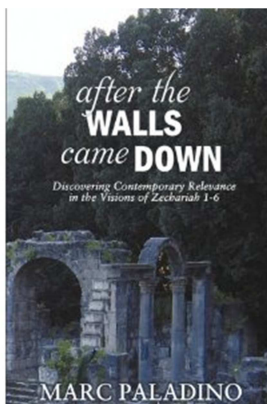

The site design is temporary, but the content is nearing completion. You should find everything there, including the enrollment process instructions and forms, the Academic Calendar, MBTI Catalog, fees, links to instructor bios and textbooks via the Catalog, and a downloadable Student/Applicant Guide in PDF format. This is a dynamic process, so I will be notifying you as new courses and instructors are added to the MBTI Catalog.

If you have any questions, feel free email me at: marcpaladino@gmail.com or contact me by cell phone: [\(313\) 580.0591](tel:3135800591).

As always, your prayers are coveted for a successful launch.

Warm Regards in the Lord Jesus,

Marc Paladino, Dean of MBTI / MBPC
